Technical Competencies

Programming Languages: Python.

DBMS: MySQL.

Web Development: Django.

Version Control Tools: GitHub Enterprise, Git.

Operating Systems: Windows, Linux, and Linux server.

Others: Machine Learning, Networking.

Projects

Cloud Computing Security.

My fourth-year project. The aim is to provide secure cloud computing by introducing a new modified form of the homomorphic encryption algorithm at the client-side so as to reduce security risks like data duplication, malicious intruders.

 LyricDownloader.

A mini project self mentored and developed. This tool is capable of delivering lyrics from the web on your command.

MySite.

This is a Django project to mark my presence on the internet.

Certifications

July 2, 2019	Industrial Training on Network Management, and Web Development
January 8, 2019	Machine Learning A-Z™: Hands-On Python & R In Data Science
September 10, 2018	Machine Learning by Andrew Ng.
July 11, 2018	Introduction to Computer Science and Programming Using Python.

Hobbies

I love spending time at the gym.

I spend my weekends on the field playing volleyball with my friends.

Free time reader and chess player.
